PURSUITS OF HAPPINESS

Leverage a national multimedia project about the American dream in the 21st century: redreamproject.org

Public broadcasters KCPT, GPB, WETA, DPTV, and PBS SoCal have partnered to produce 40 individual perspectives on success and obstacles in pursuit of the American dream in the 21st century. Along with a discussion guide and supported online engagement, these videos can be used to facilitate community partnerships and projects around issues of diversity, inequality and economic opportunity.
